

**Disability Verification Form**  
**Psychological/Psychiatric Disabilities**  
To be completed by a qualified professional

A student under your care has requested accommodations for a disability under Section 504 of the Rehabilitation Act of 1973, title ~~II~~ of the Americans with Disability Act (ADA) of 1990

1. Name of Student: \_\_\_\_\_ DOB: \_\_\_\_\_

2. Evaluator

The professional submitting the documentation must be qualified to conduct the assessment and make a diagnosis. The professional must be trained in differential diagnosis and in assessing the full range of psychiatric disorders (e.g. licensed clinical psychologist, neuropsychologist, psychiatrist or other medical specialty). The professional may not be related to the student.

Name (Printed):		Date:
Degree:		Medical Specialty:
License Number:		State of Issue:
Address:		
Phone:	Fax:	Email:
Signature:		

3. Documentation must be current. Supporting documentation cannot be more than one (1) year old.

4. Clinical Assessment

a.

Date Student First Seen:	Date Student Last Seen:
Do you see this student regularly:	If so, how often:
Date of Diagnosis:	

b. Multi-axial DSM-V diagnosis:

AXIS I: \_\_\_\_\_

AXIS II: \_\_\_\_\_

AXIS III: \_\_\_\_\_

AXIS IV: \_\_\_\_\_

AXIS V: \_\_\_\_\_

c. Which of the following was used in your clinical assessment?

\_\_\_\_\_ Interview

\_\_\_\_\_ Developmental history

\_\_\_\_\_ Relevant family history, including learning, attentional, physical and psychological issues

\_\_\_\_\_ Relevant medical history, including medications

\_\_\_\_\_ Psychosocial history, including interventions

\_\_\_\_\_ Educational history, including K-12 and post-secondary

\_\_\_\_\_ History of prior therapy

\_\_\_\_\_ Psychoeducational reports (dates) \_\_\_\_\_

\_\_\_\_\_ Employment history

\_\_\_\_\_ Rating scales

d. Relevant testing. Please list any psychoeducational or neuropsychological tests performed to evaluate the student's ability to perform in academic settings. Copies of the assessments should be included as part of the

- e.. Discuss alternative diagnoses that were ruled out. Give a detailed explanation for the exclusion(s).

---

---

---

---

- f. Give a detailed outline of the student's current treatment plan, including medications, coaching, development of learning strategies, etc. If medication is part of the treatment plan, please list the medication, dosage, frequency of use and possible side effects. How often is the efficacy of the treatment plan assessed? If the student is responding positively, to what extent does the treatment plan alleviate the need for accommodations within the academic setting? Attach additional sheets if necessary.
