## WHAT IS YOUR ROLE?

Acute or prolonged distress may require the guidance of others to help with a serious problem. You may be perceived as someone who can lend a helping hand or be a good listener if someone is experiencing difficulty in his or her life. Members of the Lewis University community can play an invaluable role in helping persons who are disruptive or in distress. Your expressions of interest, concern, and compassion are important factors for a person seeking the assistance they need. The Office of the Dean of Student Services, the Center for Health and Counseling Services, Residence Life, Center for Academic Success and Enrichment (CASE), Lewis University Police Department, and the Department of Human Resources stand ready to offer assistance.

**It is important to note that the University does not expect you to assume the role of counselor or police officer. For those responsibilities, Lewis University has trained professionals who can assist you:**
