# ePortfolio Activity Process

ePortfolios are available for ALL students to see and is owned by students.

This portfolio is how students are admitted to the teacher education program as teacher candidates. It's completion is mandatory before progressing to the 2<sup>nd</sup> semester/Field II.

There are 15 pages in the student ePortfolios for downloads and uploads with directions.

ePortfolio is an activity scheduled that is attached to the course. Once the portfolio is completed by the student, they can then upload in that activity in that class

~~Cons~~

Student should NOT submit unless complete

Just because the student updates on their end it DOES NOT update in the activity

What should you do if the student submits an incomplete one? Send back to the students for revisions and to withdraw and resubmit

Work around if you have trouble with the above solution. We can add a new activity and ask the student to reupload the new portfolio
