Transition Discussion

We recommend using the following questions when training your new leader. If you do not have a new leader to take over, share your answers with SRFW staff. This will help us make sure to share this information once a student expresses interest in leading.

1. Sharing any past accounts/documents/etc. EXAMPLES: Does your club have their own email account, share usernames and passwords. Does your club have its own social media account(s), share usernames and passwords. How much are the dues? Do you have a list of contacts for tournaments/events that you go to every year? What events have been successful or didn't have a great turn-out?
2. What has worked well for your club?
3. What has been an issue for your club?

4. What advice do you have for a new leader?
